House Update

January 12, 2007

Moving On

Join us as we bid farewell and good luck to Board member Meri Armour who is leaving her post as Vice President of and General Manager of MacDonalD Women's Hospital and Rainbow Babies & Children's Hospital to become President of Le Bonheur Children's Medical Center in Memphis. A strong supporter of the House, Meri was instrumental in making the Ronald McDonald Family Room™ a reality.

Wolff Bros. Employees Spread Holiday Spirit

In early December, Dave Artrip and Steve Novak made an early holiday delivery to the House. The Wolff Bros. truck they drove was filled with three pallets of wish list items and one stacked with dorm size refrigerators. Many thanks to all of our friends at Wolff Bros. for their outstanding support.
