Changing of the Guard

Join us as we acknowledge Pat Billick, Eileen Davis, and Bob Sanders, all of whom have completed their terms as board members. Our families have benefited greatly from their thoughtful insight and genuine concern.

Also, we wish to welcome four new board members. They are Judy Hubbard, Controller of Athersys, Inc.; Karen Jackson, founder and principal of Results in Giving; Andy McCartney, President of Bowden Manufacturing Corp.; and Bill Snyder, Partner with Deloitte & Touche. We look forward to working with them, as they are all experts in their fields and have proven leadership skills.
