Thank You, Volunteers!

The annual Ronald McDonald House Volunteer Recognition Brunch was held this past Saturday at the Holiday Inn in Independence. Over 100 volunteers attended the event! Volunteers were recognized from the House, and three Family Rooms (Rainbow Babies & Children, Cleveland Clinic and Fairview Hospital) for outstanding service. Several volunteers also received length of service awards -- including 30 year House Volunteer -- Barb Fisher!

Barb Fisher was also this year's Willa Jones Award Winner. Named for the first RMH of Cleveland volunteer, the Willa Jones award is given to one volunteer each year who exemplifies Willa's quiet, salt of the earth character.

This past Saturday (10/24) also happened to be National Make a Difference Day -- a perfect way to thank all of the amazing volunteers who make a difference in the lives of our families every day of the year!
